Old Business

- Pool gate entry and cameras – Diane thinks the cameras are a good idea. With new cards and surveillance we may be able to put furniture back and make the pool a good place to come to, again. Kevin feels the cameras are a big expense, especially monitoring during the off season. At \$200.00 for live monitoring the cost becomes prohibitive. Off season drops to \$100.00 per month. Static IP has no additional charge. **Kevin motioned to accept the video surveillance package for \$4,798.00. Julie seconded. Motion passed. First card free and cost for replacement cards will be determined.** A question was raised about someone inside letting in friends or anyone with a sad story. Gary contacted Robert at BSN and asked. Any time the gate opens the cameras will turn on and record the action. Access control was discussed, at a rate of \$3,784.59. **Diane motioned, Kevin seconded to accept the bid for the access control. Motion passed.**

- Pool furniture was discussed. Resin chairs and tables were discussed for economy and to see how the furniture would be accepted and treated.
