President's Report/Year in Review (President Christine)

- 1. Monument and mailbox maintenance on annual 4 X/year bases (weeding, cleaning, etc.) continues on contract basis with landscaping company.**
- 3. Monument Improvement – last year, the board had many discussions and debates about the desire to upgrade the monuments; the matter has been tabled indefinitely due to some objections from homeowners to the work. If enough interest is shown this year, then the topic may be revisited.**
- 4. Bulk Collection – Homeowners putting out bulk collection too early continues to be a problem, even though it has significantly improved; door hanger in place if in violation + City of Scottsdale is notified.**
- 5. Website – The website is the place that homeowners should visit to find out about board meetings; the dates for bulk collection; information about contacting a board member, etc.; we will continue to post for important bulletins and updates.**

If any homeowner has something important they would like other homeowners to know, please contact a board member for inclusion on the site.

Also, there is a section where homeowners can log-in, enter private name and password + lot # (Scott, please explain to the homeowners where we are at with this).

- 6. No assessment for 2013; still a handful of delinquent accounts; made long strides in collections but still some overdue.**

Nominations/Elections of New Board - Intro of Candidates (Tony Barone and Rick Cooper)
