CUSTOMER INFORMATION

Billing, Payment Policies and Fees:

Cox Business bills all customers in advance for monthly recurring charges and in arrears for non-recurring charges such as On Demand/pay-per-view and long distance. Payment in full is due to Cox by the "Due By" date indicated on your statement. If payment is not received by this date, your bill will become past due and may be subject to additional fees, such as late payment charges, electronic reactivation fees, or returned payment fees. Payment of your Cox bill confirms your subscription to services and the possession of Cox owned equipment listed on your bill.

When you provide a paper, electronic check or electronic fund transfer (EFT) as payment, you authorize Cox to process your payment as a traditional check transaction or to make a one-time EFT from your account. An EFT may debit your account as soon as the same day you make your payment. Payments returned unpaid for any reason will incur a returned payment fee of up to \$25.00, or the maximum allowed by state law. By using a credit card, debit card, paper check or an electronic check to make a payment, you agree that, if your payment is returned unpaid, you expressly authorize a one-time electronic fund transfer from your account for the amount of the payment plus any returned payment fees. If payment is not received by the "Due By" date indicated on your statement, a late payment charge may be assessed on your account.

ACTIVITY

Palm Tree Trimming

(3) Queen Palms near pool
- trim as needed

Our standard practice for palm trimming maintains a canopy 45 degrees above branches growing parallel to the ground. However, it is recommended to keep a more full canopy considering the green branches are what produce the food for the tree. Seed pods and flowering stalks are removed unless stated otherwise.

Cleanup of Worksite Area

We cleanup and haul-away the debris in the work area and finish our cleanup with blowers for a nice, clean finished job.
All tree debris is either re-purposed and recycled as lumber, firewood or mulch. Cactus and palm is considered trash and must go to the landfill.

Environmental Service Fee

An environmental service charge is included to cover the cost of fuel and dump fees.

Terms and Conditions

We adhere to ANSI A300 Pruning Standards as well as ANSI Z133 Safety Standards. These standards have been adopted by OSHA and are the regulatory industry standards.

Heartwood Tree Care is an active member of the Arizona Community Tree Council, International Society of Arboriculture and we keep up to date with the most current tree care and tree health with continuing education. We keep learning at the heart of our work to ensure we are offering the absolute best possible work and most up to date work practices.
Our employees are experienced, highly trained tree workers and we have a strong culture of teaching and learning in our team.

Heartwood Tree Care is registered with the Arizona Corporations Commission, is fully insured and we keep the proper Liability Insurance for tree work up to 100ft

By agreeing to the estimate and scheduling work with Heartwood Tree Care, you are accepting the following terms:

If a scheduled work order is cancelled or rescheduled within 3 business days (M-F) of the scheduled appointment there will be a cancellation fee of 25% of the total job.

Payment is not required until the approved work is completed and is due within 15 days of the finish date. A 5% late payment fee is added to the invoice for every 14 days past the due date of an unpaid invoice.

Payment options include: cash, check, or any major credit/debit card.

Card Processing:

All of our card processing is managed by Quickbooks to ensure safety and security of card information. We strive to offer the best pricing possible. One way that helps us do this is by keeping card processing fees out of our original pricing. The card processing 3% transaction fee is not charged when paying with cash or check.
